Re: Case No.: C7-5434CW  
Alexis Bautista vs. City & County of San Francisco

**YOUR HONOR:**

I respectfully request additional time to submit initial disclosures and discovery response which, by your order, are due by Monday, July 21, 2008. I had consulted with a prominent civil rights attorney in Oakland who led me to believe he would possibly represent me in this case. He recently returned from 2-weeks vacation and his office informed me he would NOT have the time to handle my case. My file was returned to me by his office last Friday.

The copy of the interrogatory questions provided me by my previous attorney, Norman Newhouse, were so bad I could not read them. They are not in the file that was returned to me; so I am calling the Assistant D.A.'s office today to resend them so I can submit my response within the next few days. I am continuing to consult with other attorneys for representation.

Yours truly,

ALEXIS BAUTISTA
